

RoboCupJunior Soccer – Newsletter ‘one’

Tuesday 19 June 2012 - Soccer Schedule

8:00am - Registration Starts
11:00am – 12:00pm - Opening Ceremony
1:00pm – 1:30pm - Mentor Meeting (Near Dance Stage)
2:00pm - 8:00pm - Interviews

Important notes for Tuesday 19th June.

Registration

After you have completed registration downstairs you will need to come upstairs and login at the soccer table. Here you will indicate when you will have your interview and pick your super-team allocation number. You will also find out where your setup table will be and receive the JuniorParty information pack.

Interviews

This year you are required to have an interview before competing. This is a short process asking a few questions about your robots in regards to construction, programming and team work.

Mentor Meeting

There will be a meeting to explain all the new rules/competition rules for RobocupJunior 2012. Here you can also ask any questions that you may have.

Final note: We will be updating the newsletter each day. Please check the website the night before/morning of each day.

This will be the last time we will use email to remind you of day to day changes. We will only use email as an emergency.

Good Luck and we are looking forward to meeting you all tomorrow!
